

NORTHWEST COMMUNICATIONS

Automatic Bill Payment is Easy, Convenient, and Absolutely Free!

How Automatic Bill Payment Works

Northwest Communications (NC) Bill Payment allows you to pay your bills without writing a check. The service is completely free and is available to all NC customers.

- Save Money on postage
- Save Time by writing fewer checks
- Gain Peace of Mind knowing your payment is always on time

Northwest Communications ensures that all transactions using Automatic Bill Payment (ACH) are secure. Your monthly bank statement will show proof of payment and you will still receive a statement from NC showing your charges. Again, this service is absolutely free of charge, and you will not have to change your present banking relationship.

Fill out the form below and, beginning next month, your payment will be automatically deducted from your checking or savings account. To ensure that your banking information can be recorded properly, please enclose a voided check to have the payment deducted from your checking *or* enclose a deposit slip to have the payment deducted from your savings. All payments will be deducted from your bank account on either the 5th or the 10th of each month depending on your service.
